2010 LINCOLN MKX

Art and functionality continue to coexist in the 2010 Lincoln MKX. Modern Lincoln design blends with a sporty stance, powerful 3.5-liter V-6 engine and quiet interior to provide customers with even more of what they expect from a luxury crossover. New refinements also have significantly increased fuel mileage for 2010:

- FWD: 18 mpg city/25 mpg highway – up 1 mpg each from 2009
- AWD: 17 mpg city/23 mpg highway – up 1 mpg highway and 2 mpg city from 2009

The Lincoln MKX adds to its suite of standard safety features that already includes AdvanceTrac® with RSC® (Roll Stability Control™), six air bags and available Intelligent All-Wheel Drive (AWD). Together, Lincoln's safety engineering efforts have helped the Lincoln MKX earn a Top Safety Pick from the Insurance Institute for Highway Safety.

For 2010, Lincoln MKX owners also will be able to select a new level of luxury with the Midnight Limited Edition Package. A unique body-color grille and Tuxedo Black Metallic paint are offset by assertive 22-inch bright polished aluminum wheels. Inside, an Ebony Interior Package is complemented by premium floor mats with the Lincoln logo to envelop occupants in luxury.

INTEGRATED BLIND SPOT MIRRORS

The traditional side view mirror is designed with a secondary convex spotter in the top outer corner, which provides a view

of the driver's blind spot. When traffic enters the driver's blind spot on either side of the vehicle, it is visible in the secondary convex mirror, alerting the driver.

ADAPTIVE FRONT LIGHTING

Designed for improved safety and visibility, adaptive lighting consists of motor-driven

halogen low beams that swivel based on steering-wheel input. When cornering, the headlamps can illuminate a stretch of road up to 36 feet longer than conventional headlights.

ADVANCETRAC WITH RSC

This system utilizes a roll-rate sensor to determine the vehicle's body roll-rate and roll angle. If the unique roll-rate sensor detects a significant roll angle, the system can apply the brakes to one or more wheels or reduce engine output to help the driver maintain control of the vehicle.

NEW IN 2010

- FWD and AWD boast fuel economy increases of as much as 2 mpg city
- Standard integrated Blind Spot Mirrors
- Limited Edition Package interior now features premium leather seats in cashmere trim with charcoal black piping and a stitched Lincoln star on the front row headrests
- Midnight Limited Edition Package includes
 - Tuxedo Black Metallic paint with body-color grille
 - Lincoln Star etched headlamp lenses
 - 22-inch bright polished aluminum wheels with sport-tuned suspension
 - Ebony Interior Package
 - Premium floor mats with logo

SAFETY/STANDARD

- Advance Trac® with RSC® (Roll Stability Control™)
- Belt-Minder® – driver and front passenger
- Child safety locks – rear door
- Height adjustable safety belts
- LATCH (Lower Anchors and Tethers for CHildren)
- Occupant classification system
- Personal Safety System™ – seat belt pretensioners, load limiting retractors, dual-stage front air bags, driver seat position sensing and crash severity sensing
- SecuriLock® Passive Anti-Theft System
- Side impact air bags – driver and front passenger
- Side curtain air bags – first and second row
- SOS Post Crash Alert System™
- Tire Pressure Monitoring System (TPMS)

VITAL STATS

Production location: Oakville Assembly Plant, Ontario, Canada

Powertrain: 3.5-liter V-6 engine with 265 hp @ 6,250 rpm, 250 ft.-lb. torque @ 4,500 rpm; six-speed automatic transmission

Series: FWD, AWD

Fuel Economy: FWD: 18 mpg city/25 hwy.; AWD: 17 mpg city/23 hwy.

MSRP: Starting at \$38,345
