

# Focus ST-R

## TECHNICAL DATA

### Powertrain

- 2.0L EcoBoost I-4
- 250 hp est.
- 250 lb.-ft. of torque est.
- Ford Racing custom exhaust
- Ford Racing engine calibration
- Ford Racing high capacity radiator
- Ford Racing clutch
- Ford Racing oil to air oil cooler
- Remote oil filter
- 6-speed manual transmission with limited-slip differential

### Chassis

- Weight – 2700 lbs.
- Structural performance: over 20,000 lb.-ft/degree (torsional)
- Seam-welded steel unibody with integrated FIA-certified safety cage.

### Front Suspension

- AST performance coilover adjustable dampers
- Adjustable camber plates
- Ford Racing upgraded sway bar with adjustable end links
- Upgraded bushings

### Rear Suspension

- AST performance adjustable dampers
- Control-blade multilink rear suspension
- Ford Racing upgraded swaybar with adjustable end links
- Upgraded bushings

### Steering

- Electric steering with unique Ford Racing calibration

### Brakes

- Front: 336mm 2-piece rotors with race pads
- Rear: 271mm production with race pads
- Ford ABS with unique Ford Racing calibration

### Wheels & Tires

- 18-inch BBS CF 1-piece cast alloy wheel (Anthracite)

### Fuel System

- ATL® 18-gallon fuel cell with custom single-dry-break system

### Exterior

- Brake cooling ducts
- Hood pins
- Ford Racing front/rear tow hooks

### Interior

- Ford Racing lightweight wiring harnesses
- RECARO Pro Racer HANS® racing seat
- AiM MXL Pista GPS-based data system
- Ford Racing short throw shifter
- Ford Racing fire suppression system
- Ford Racing 6-point safety harness
- Ford Racing driver safety nets
- Ford Racing steering wheel with quick release
- Custom center panel with switches
