

Ford's West Coast Innovation Network

Ford To Open Research and Innovation Lab in Silicon Valley

The image features a stylized map of the West Coast of the United States, including parts of Washington, Oregon, California, and Nevada. A large circular inset provides a detailed view of the Silicon Valley region. The map is color-coded with shades of green and blue, and includes a network of orange lines representing roads or infrastructure. The Ford logo is placed at three locations: one in the northwestern part of the map, one in the southern part, and one in the center of the Silicon Valley inset. The inset also shows a network of orange lines and a blue area representing a lake or bay. Various technology and research institutions are labeled with black dots and text.
