

“GO” KELLY CLARKSON

**Breathe In, Breathe Out
Restless, Waiting for Anything
Tension Is Thick In The Air
Are You Gonna Lead Or Follow Me?
Full Speed, Turn Up The Overdrive
Makes Me Feel Glad That I'm Alive
It's Time We Finally Make Our Move
So C'mon, C'mon, C'mon Now**

**Let's Go
Let's Jump Right In
Screamin' To the Wind
Feel The Fire Within
I Can't Ignore This Burnin' In My Soul
C'mon Baby, Let's Go
Let's Go**
