* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 2015/16 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25)

Ø The CO₂ emissions test figures shown in the table do not express or imply any guarantee of the emissions or fuel economy of a car in the class in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres. Optional or Accessory wheels and tyres may have an effect on the emissions or fuel consumption of a vehicle. For further information on CO₂ and fuel performance please refer to our Legal section.

† 'On the road' price includes one years road fund licence, DVLA first registration fee and an estimated £25 for number plates.

² Kit includes: First Aid Kit, Warning Triangle, Hi-Visibility Vest and Gloves

ALL-NEW GALAXY FUEL & PERFORMANCE

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis.

Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack.

Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

Engine	Euro Stage	Trans	Maximum Power PS (kW)	Torque Nm (Nm with overboost)	CO ₂ Emissions (g/km) Ø	Fuel Consumption Miles per gallon MPG / Litres / 100km						Max Speed (mph)	0-62 mph(secs)	31-62 mph(secs)

ØThe declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. Note all vehicles are Durashift 5-speed manual unless otherwise stated.

'MANUFACTURERS ON THE ROAD' PRICES INCLUDE:

1

The delivery charge is included in the Basic Recommended Retail price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are from officially approved tests under the Passenger Car (Fuel Consumption and CO₂ Emissions Information) Regulations 2001 and in accordance with EEC Directive 93/116/EC

The chart above shows the Bands and the VED which will be levied (effective 1st April 2015).

ALL-NEW GALAXY FORD PROTECT

Every new Ford car is protected by a 3 year/60,000 mile Ford Protect Classic Plan Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe.

Ford Protect Classic 4th/5th Year Extended Warranties

If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts

Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Classic 4th/5th Year Extended Warranty Prices

Plan Enhancements	Price (inc. VAT)
4 Years	£210.00
5 Years	£440.00

Ford Protect Premium Plan

You can also upgrade to a Ford Protect Premium Plan giving you the option of scheduled services and extended Ford Assistance.

Features:

- Scheduled Servicing; covers scheduled servicing recommended by Ford, including associated parts and labour, for the number of services applicable to your plan; replacement brakefluid (every other year); bodywork and paint check (every other year); air conditioning check (at third year only)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- Vehicle Hire; for up to 7 days

Ford Protect Premium Plans can be purchased any time before the first service.

Plan Length	No. of Services	Price (inc. VAT)
2 Years	2	£390.00
3 Years	3	£680.00

Notes and Conditions

- The length of your plan (and number of services on Premium Plans) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- It is a condition of Ford Protect Premium Plans that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Prices were correct at time of printing and include VAT at 20%
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty or Premium Plans and their associated Terms and Conditions or alternatively call Ford Protect on 0870 241 6726 or visit www.ford.co.uk

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list is effective from 1st May 2015, and supersedes all previous price lists. The prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes in view of Ford's policy of continuous development. The right is reserved to change prices at anytime. Change to government legislation or tax changes could result in a change to published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

Twin exhausts (where shown) are only fitted to 2.0 TDCi 180/210PS and 2.0 EcoBoost 240PS engines
