

Cruise with Confidence

The all-new 2020 Ford Explorer has more available driver-assist technology than any other vehicle in its segment, including four class-exclusive features designed to instill more confidence in drivers whether they are cruising, towing or parking.

STANDARD ON ALL SERIES

- Rearview camera with built-in lens washer
- Hill start assist
- Post-impact braking

Ford Co-Pilot360™

- Auto headlamps with auto high beams
- Blind Spot Information System with cross-traffic alert
- Lane-Keeping System
- Pre-Collision Assist with automatic emergency braking, which includes Pedestrian Detection, forward collision warning and dynamic brake support

AVAILABLE ON XLT; STANDARD ON LIMITED AND ABOVE

Ford Co-Pilot360™ Assist+

Includes all Ford Co-Pilot360 content, plus:

- ▶ • Intelligent adaptive cruise control with speed sign recognition
- ▶ • Evasive steering assist
- Voice-activated touch screen navigation system with pinch-to-zoom capability; SiriusXM™ Traffic and Travel Link

STANDARD ON XLT AND ABOVE

- ▶ • Blind Spot Information System with trailer tow coverage (when equipped with trailer tow)

STANDARD ON LIMITED AND ABOVE

- 360-degree camera with split-view and washer
- Rain-sensing front wipers

STANDARD ON ST AND PLATINUM

- ▶ • Active Park Assist 2.0
- Reverse brake assist

▶ Indicates class-exclusive feature.
