<sup>1</sup> Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 90-day trial of navigation services when an eligible vehicle is added to a member's FordPass account. Trial period begins on the new vehicle warranty start date. At the end of the complimentary period, navigation service will terminate. Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.  
FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

<sup>3</sup> Navigation service requires SYNC@4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 3-year trial of navigation services when an eligible vehicle is added to member's FordPass account. Trial period begins with new vehicle warranty start date. At the end of the complimentary period, access to connected navigation services will be discontinued.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.
