

BRONCO has plenty of comfort...

BRONCO Accessories...Dealer Installed

CONVERTIBLE TOP WITH VINYL DOORS AND PLASTIC WINDOWS ... Order your Bronco Roadster with a full-length, folding vinyl convertible top and vinyl doors with plastic windows.

HANDRAIL, INSIDE ... Your Ford Dealer will install attractive chrome handrails inside your Bronco for safety and convenience, if you wish. Passengers appreciate these on steep grades.

POWER TAKE-OFF ... Operate a wide variety of auxiliary equipment with your Bronco. Power take-off drives can operate various front- or rear-mounted equipment.

COMPASS ... You may wish to equip your Bronco with a compass. It will prove helpful, particularly when traveling cross country or through heavily wooded areas.

FREE-RUNNING HUBS ... Free-running front hubs save wear on front axles when operating in 2-wheel drive. WARN free-running hubs are available as dealer-installed equipment.

2-WAY RADIO ... Your Ford Dealer can install a 2-way radio in your Bronco so you can communicate with your home base or other vehicles in the field.

OPTIONAL BRONCO CUSTOM EQUIPMENT PACKAGE

- Chrome bumpers, front & rear
- Arm rests, RH & LH (Available with door models)
- Bright-metal taillight bezels
- Cigar-cigarette lighter
- Chrome horn ring
- Padded sun visors, RH & LH
- Bright-metal wheel covers on 15" wheels only

and convenience, too!

MORE LEGROOM FOR DRIVER AND PASSENGERS

Bronco offers more uncluttered legroom than any other utility vehicle. It seats three comfortably in front. The transmission shift lever is mounted out of the way on the steering column, and the transfer case is operated by a single, floor-mounted shift lever. The drive train hump is low, and the front seat has a full five-inch travel adjustment. Brake and clutch pedals are steering column centered. The back area is over 55 inches long and 56 inches wide, with ample room between wheelhouseings for a two-passenger seat with plenty of legroom.

STANDARD CONVENIENCE FEATURES

- Weatherproof roof and windshield seals
- Padded dash
- Seat belts
- Front floor above door sills
- Large door windows—Sports Utility and Wagon
- LH outside rearview mirror
- Liftgate lock—Wagon
- Turn signals
- Dual windshield wipers w/dual vacuum motors and non-glare wiper arms
- Windshield washers
- Vinyl-covered rubber floor mat

FRONT OVERLOAD AIR SPRINGS ... Overload air springs may be installed in the front coil springs of your Bronco for increased capacity and for snowplow service.

SNOWPLOW ... Equip your Bronco with a snowplow. Controlled from the cab, the blade may be adjusted to various heights for most effective use. Power angling kit available.

TRAILER HITCH ... Your Bronco has plenty of power for towing a moderate-sized trailer. Trailer hitch is available for your added convenience at your Ford Dealer's.

TACHOMETER ... Especially valuable for rallies, a dealer-installed tachometer mounted to your dash will permit operation at maximum efficiency through all the gears.

FRONT-MOUNTED WINCH ... An 8000-pound-capacity winch is available for your Bronco. Winch has 150 feet of 3/4-inch cable to pull vehicles that are twice Bronco's own weight.

- ALSO ...**
- Fire Extinguisher
 - Locking Gas Cap
 - Map Light
 - Tool Kit
 - Front Tow Hooks (2)
