Let's Give Them Something to Taco 'Bout: Enabling Self-Driving Food Delivery With Postmates

It's a familiar feeling. The day inches towards dinner and your stomach makes a simple, direct plea to your heart: You want tacos. That hand pressed corn tortilla, the tangy salsa and fresh cilantro—you're getting hungry already!

But what if ordering tacos did more than just satisfy the gremlin in your gut? What if it actually... shaped the future?

Ford is working with [Postmates](#), an on-demand delivery platform, to operate a self-driving delivery service.
