Edge ST Documentary, Part I: The First SUV from the Ford Performance Team

The bloodline of 'Sports Technology' can be traced back more than two decades and is something we're very proud of at Ford. It's not every day that we get to introduce a new ST model, and the company is humming with excitement to launch the latest model in North America.

Over the next three days, we will share three short films that help capture our enthusiasm for the introduction of Edge ST – Ford's first performance SUV. The first episode features a number of Ford team members providing their thoughts on the arrival of the Edge ST.

Film 1: Edge ST Has Arrived

Also [available at this link](#) is a look at the history of ST, including pictures and information about each model from the last 20 years.

The second episode, which delves into what makes this Edge a true ST, debuts Sept. 25.
