Mustang Mach-E is Delivered to First Customers in China

SHANGHAI, Dec. 26, 2021 – The award winning Mustang Mach-E was officially delivered to first customers in China on Sunday, December 26. Among the customers to receive the vehicle is ad executive and Mustang fan Jin Zhang, who will use his Mach-E as a family vehicle. He is pictured being handed the keys to his new Mach-E by Mark Kaufman, general manager, Ford China BEV Division.

The locally-produced Mach-E is being sold via Ford BEV's growing network of direct-to-customer stores located in major Chinese metropolitan markets. Currently, there are 25 such stores dedicated to the sale of Ford electric vehicles in China.

About Ford Motor Company

Ford Motor Company (NYSE: F) is a global company based in Dearborn, Michigan, that is committed to helping build a better world, where every person is free to move and pursue their dreams. The company's Ford+ plan for growth and value creation combines existing strengths, new capabilities and always-on relationships with customers to enrich experiences for and deepen the loyalty of those customers. Ford designs, manufactures, markets and services a full line of connected, increasingly electrified passenger and commercial vehicles: Ford trucks, utility vehicles, vans and cars, and Lincoln luxury vehicles. The company is pursuing leadership positions in electrification, connected vehicle services and mobility solutions, including self-driving technology, and provides financial services through Ford Motor Credit Company. Ford employs about 184,000 people worldwide. More information about the company, its products and Ford Motor Credit Company is available at corporate.ford.com.
